

Lloydminster and District Co-op is currently in the process of recruiting two Seasonal NH3 Drivers for the Neilburg and Lashburn Co-op Agro Centre locations.

The estimated start date for these positions will be April 15, 2019.

Reporting directly to the Lashburn and Neilburg Agro Centre Managers, drivers will be responsible for the safe and timely delivery of product to customers.

Previous NH3/Fertilizer/Chemical experience an asset.

Must produce a clean driver abstract and hold a valid class 1 or 3 license with air brake endorsement.
